Welcome to Common Ground.....November 6, 2016

Common Ground exists to:

- ❖ Impact our world by reaching people with the gospel of Christ
- ❖ Build up believers in their faith
- ❖ Equip believers for acts of service for the purpose of making disciples of Jesus Christ.....**ALL FOR THE GLORY OF GOD!!**

A few things for you to know:

Children - We offer loving childcare for children (infants - 4 years) during our worship service. For children ages 5 thru 5th grade, we offer a Children's Church program and they are dismissed following the music portion of the service.

Offering - We believe that financial giving is a matter of personal stewardship between you and God, so instead of passing an offering plate, an offering box is available on the back table for your tithes and offerings.

Prayer - If you have a prayer concern that you would like to share with the elders and the Prayer Chain, please fill out a prayer request card (on the back table) and drop it in the offering box. These prayer requests will not be put through the Prayer Chain unless you request to do so. As prayer needs arise during the week, call/text Jon @ 712.527.0720.

Refreshments - Coffee, tea and snacks are available for you in the entry hallway. Please stay awhile after the service for refreshments and fellowship.

Facebook - Check out/like our "Common Ground Glenwood" Facebook page.

MISSIONS UPDATE - BAUGHNS

Dear friends and family,
 Life and ministry continue to move forward here in Seattle. The busy season at the **refugee urban garden** is coming to a close. Brandon will continue to work with refugee participants to **develop and design bilingual**

learning materials. Brandon is also beginning to work with refugee families in helping their **children transition to school in the USA**. Please pray for one of the key contacts Brandon has made through the garden. **Raj's transition to the USA** has been anything but easy and he now finds himself sleeping on the couch of another refugee family, working nights to cover expenses for his younger brother and to send some back to his family, all while attending community college. Like many refugees and immigrants, he thought life in America would be easy but was met with expenses, odd hospitality practices, and a lack of any safety net. We have been engaging with some church small groups on **outreach to Muslims** and what a Biblical response to refugees is. Please pray that people would understand Christ's love for the international community within our borders and the need to share His truth with them. We are excited to have established contact with some **Pakistani asylum seekers** here in Seattle on social media. Brandon also spent **10 days in Jakarta, Indonesia** this past month and enjoyed visiting with a ministry there. We hope to share more about this in the future. Finally, we want to say **THANK YOU** for your continued prayers and support. We have been keenly aware of your faithfulness during these sudden and ongoing changes in our lives and ministry. While our work in Seattle may only be a temporary "assignment", it is clear that the Lord has a work prepared for us during this season - **Brandon, Hannah, Ava, Joel, Devin**
